Call for Forum Proposal

The organizers of the ISES Solar World Congress 2021 are inviting you to submit proposals for Forums to be held at SWC 2021. A Congress Forum is a 90-minute moderated session that provides diverse points of views and stimulates audience discussion on a specific topic that is either within a Congress Theme, across several Themes, or on renewable energy topics not directly covered by the Congress Themes.

Please include all information on your proposal in this form - only forum proposals using this form will be accepted for review by the congress organizers. All proposals must be submitted by 1 April 2021 to swc@ises.org
